Comments made by attendees

“Lots of really useful information which I am looking forward to being able to use with individuals. Perhaps could have done more demonstrations and practical activities as the days went on. Really enthusiastic. Lots of great handouts”

“Very valuable information and well presented, Ian made me feel comfortable and at ease. I felt the original plan of 4.5 hours of practice was good that it was reduced and changed with discussion”

“Ian was very friendly and approachable, kind and thoughtful with good folders hard working and well organised”
