Thursday 4th June 2015

10.00am – 4.00pm

Cost £135

**Edinburgh Training & Conference Venue, St. Mary's Street,
Edinburgh, EH1 1SU**

Register Today

Working with suicide risk can challenge the most experienced practitioners. Knowing how best to respond, how to manage organisational demands, and ways in which to help clients explore their suicidal thoughts sensitively require commensurate skill. This experiential workshop, drawing on formal presentation and group discussion based on video vignettes will explore a number of areas, including personal responses to suicide; ways of talking with clients about suicide risk; working within organisational settings; and how to make informed decisions about risk.

Dr. Andrew Reeves is a freelance trainer, author, editor, supervisor & counsellor/psychotherapist with over 25 years' experience in a range of settings including secondary mental health, child protection; with vulnerable adults' higher education and in schools. He has written two BACP Information Sheets on suicide and self-harm and is currently Lead Author for the BACP/Department of Health Counselling MindEd e-learning project.
