About Marilyn Hawes

I am an affected mother whose 3 sons were sexually abused. I was their teacher and the abuser was the Head at the same school and my best friend for 17 years.

I established my charity in 2004 looking at BEHAVIOURS essential to preventing abuse. NONE of the so called established courses deal with the necessary information I have embedded in our training.

This episode in my life fundamentally changed everything I held dear. You do NOT want to be me !
