About Nida Aslam Roshan

A Humanistic & Integrative Counsellor, trained by CPPD (Centre for Personal & Professional Development) Counselling school's Pakistan chapter, I work with young people and adults.

Besides running a private practice, I have worked with young people at a university in Pakistan, and the enriching experience has deepened my insight into the cultural and familial struggles that the people of young age groups go through.

Prior to my counselling career, I have also worked in the corporate sector for 5 years as a Financial Analyst.
