About Jane Travis

I'm Jane Travis, and I'm a counsellor and supervisor from Lincoln.

I also help other therapists in private practice with counsellor specific marketing advice designed to simplify the whole process, saving you both time and money.

This is via the Grow Your Private Practice club, which has courses, resources, live workshops, guest experts, and monthly meetings for members.

There's also a private member forum away from Facebook to connect with others, support and be supported.

Come and see how we can help you grow your private practice.
