About Wendy Robertson Fyfe

I'm a Renaissance woman, passionate lover, singer as well as guide of Earth, Earth Community and the Cosmic Opera, Imagination, and Dreaming. I am participating in the current shift in human consciousness creating generative nature-based soulcentric cultures.

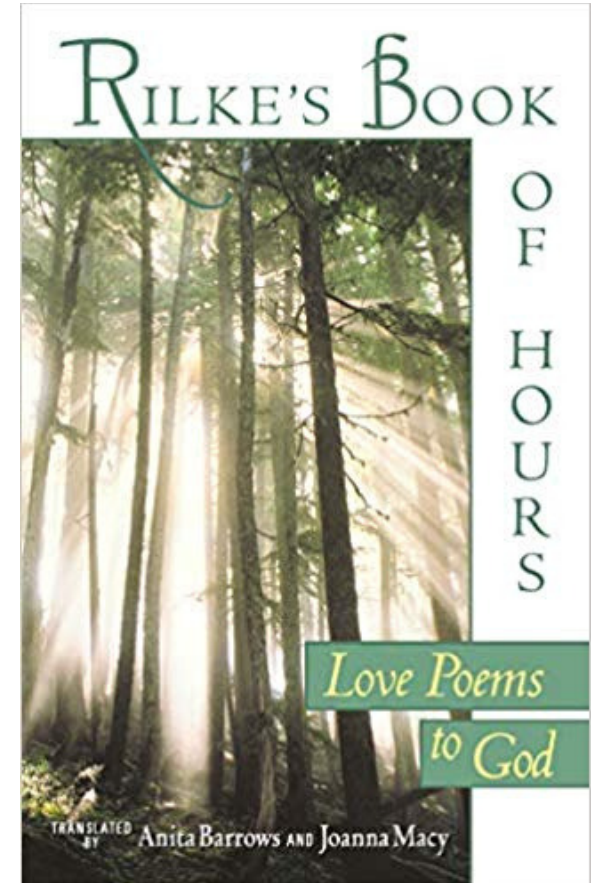

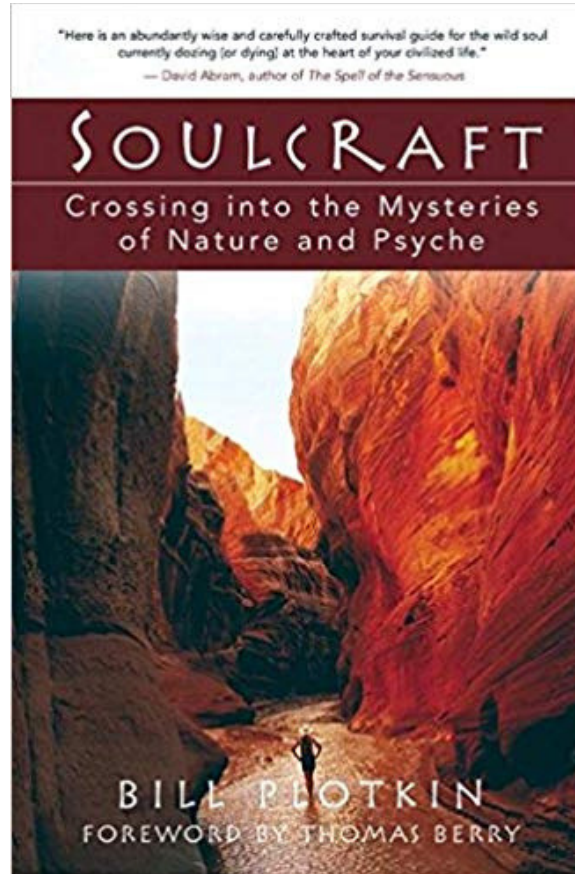

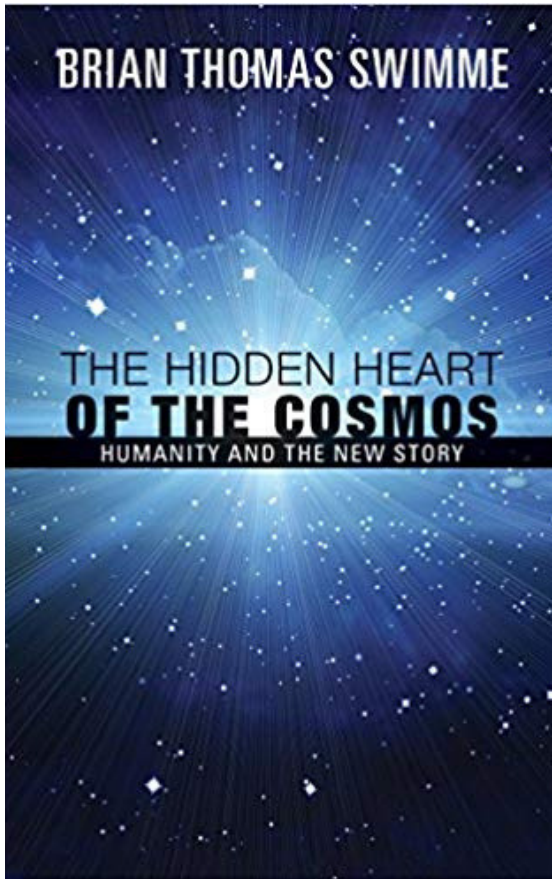

I'm currently a senior apprentice with the Animas Valley Institute in Colorado and am deeply involved with bringing their work to Europe; and also a psychosynthesis counsellor and psychotherapist. My first book "Whispers; Imagining Earth Community, Surrendering to Earth's Wisdom" was published in 2018. I live in Dunbar (birthplace of John Muir), Scotland.
