About Tatiana Karyagina

I'm a psychologist and psychotherapist. I am also a trainer and supervisor in training programs for Co-experiencing Psychotherapy. I work as senior researcher in Psychological Institute of Russian Academy of Education, Laboratory of counselling psychology and psychotherapy (Moscow) and as associate professor in Faculty of Counseling and Clinical Psychology of Moscow State University of Psychology and Education.

My scientific and practical interests are experiential psychotherapy, psychotherapeutic education, and development of empathy for helping professionals.

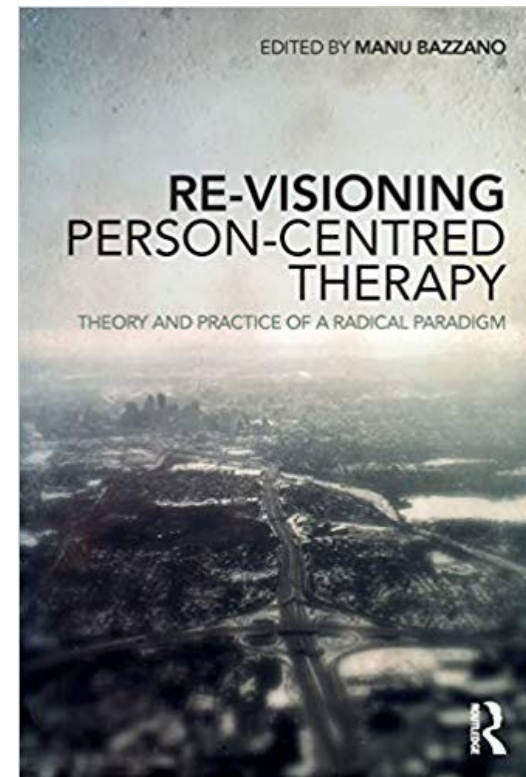

Event Details

We will discuss the chapter, 'Dialectics of Person and Experiencing', written by Tatiana Karyagia and Fyodor Vasilyuk, published in the book "Re-Visioning Person-Centred Therapy: Theory and Practice of a Radical Paradigm".

CHAPTER 6: Dialectics of Person and Experiencing

Re-Visioning Person-Centred Therapy: Theory and Practice of a Radical Paradigm edited by Manu Bazzano
