About Robin Shohet

I am the author and editor of several books on supervision and since studying with Katie twenty years ago, I have incorporated The Work into my teaching.

I have been teaching supervision for over 35 years through the CSTD (Centre for Supervision and Team Development). I am co-author of 'Supervision in the Helping Professions' and editor of 'Passionate Medicine', 'Passionate Supervision', 'Supervision as Transformation', and 'Clinical Supervision In The Medical Profession'. I'm now researching for a book on Supervision as Spiritual Practice.

Event Details

Byron Katie had an awakening experience in which she saw that everything she had believed was not true. From this, she devised a series of questions that invite us to challenge our belief systems. In this online event, we explored her work together by putting our beliefs on paper and questioning whether they serve us.
