About Catherine Knibbs

I am a leading Cybertrauma researcher and clinician in matters of online issues with CYP.

I have recently completed a double MSc and trauma marathon of my own where I've been developing a further research paper and writing around the topics of trauma. I specialise in Child trauma, have worked with corporeal and virtual trauma abuse, and have lots to say about this topic.

- Doctoral Researcher
- CyberTrauma and Gaming/Gamer Specialist Therapist
- Director of ACTO Research and Development
- Director of Privacy4 Ltd
- Member of ACTO- R&D and CYP Sections
- Associate of Co-Ed Foundation
- Member of Association of Adult and Child Online Safety Specialists (AACOSS)
- Visiting Lecturer at IATE

About Lisa Etherson

I am a PhD researcher, currently exploring shame. As a Psychosexual Therapist, I have a busy private practice with a special interest in porn and sex addiction. I have over 20 years experience of working with people therapeutically, usually finding myself discussing the most taboo of subjects. I'm a keen advocate for accurate, timely sex education.

Event Details

A conversation about Pornography use, demographics, and impact from child to adult. Why the current use of this media needs to be in almost every therapists' room, why the taboo needs to become the norm. Why different client groups need a permission and how to talk about this subject to your clients, whether they be child, adolescent, or adult.
