Learning Together Online

Resource Guide

About Fiona Markham

I have spent many years specializing in the treatment of the addict and the addicted family system. I have been fortunate to gain experience in both inpatient and outpatient settings, using a variety of treatment modalities. Most recently, I have travelled to The Middle East, Asia and the U.S.A working with families in 'at home' settings; treating the family system as a whole.

I am dual trained in Psychotherapy and Psychiatry and have a Private Practice in Southern Spain, where I enjoy sunshine days with my daughter and neurotic Dalmatian!

Event Details

Addiction and Substance abuse has far reaching consequences in the family system as a whole. We will look at the process of addiction in the family system and the importance of recognizing and treating the family as a whole.

1st Learning Objective

To look at the family system in an addicted family.

2nd Learning Objective

To learn about codependency and enabling.

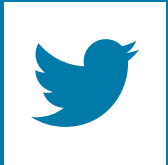

3rd Learning Objective

To understand the effects on the children in the family unit.
