## **Handbook: Origins, Developments and Current Applications. Colin Lago and Divine Charura (Co-Editors)**

From the origins of Carl Rogers' person-centred approach to the cutting-edge developments of therapy today, The Person-Centred Counselling and Psychotherapy Handbook charts the journey of an ambitious vision to its successful reality. In this book, Lago and Charura bring together history, theory, research and practice to deliver a complete and unique perspective on the person-centred approach.

### **Key topics include:**

- The groundbreaking journey of PCA's early decades, spearheaded by Carl Rogers
- Developments and extensions of the original theory and practice
- The influence of PCA in developing new therapies and practice
- The frontier of contemporary PCA, and therapists' work with client groups of difference and diversity
