# About Rory Lees-Oakes

[www.counsellingtutor.com](http://www.counsellingtutor.com)

I am counselling tutor and practicing school counsellor based at the Higher Education Faculty of Warrington Collegiate, a college in the North West of England. I graduated in 2004, and hold post graduate certificates in supervision, education, child and adolescent therapy.

After qualifying I stayed on at my counselling placement which became Tameside, Oldham and Glossop Mind as a counsellor, eventually becoming (in a voluntary capacity) chair and director of the organisation.

My paid work was quite varied, I spent a year as a floating support worker for a mental health charity supporting people in their homes, followed by five years working part time as a support worker for Nacro , an organisation which helps ex offenders re integrate in to society. During this time I taught Counselling at Tameside College, in 2007, I accepted a part time position at Warrington Collegiate as course leader for the Counselling provision, becoming full time in 2009 ,( I qualified as a teacher in 2008)

When I am not working, I enjoy visiting tea rooms in the Pennine towns near where I live (yep, I know I am weird) , I am also a keen published photographer. Why not visit my [YouTube](#) channel to see my lectures or follow us on [Facebook](#) and [Twitter](#).

# Reading

This book has received unequivocally enthusiastic reviews in a wide range of journals. Many counsellor-educators have put it on their 'essential reading' list..."
